

COGNITEK-A (USA)

FUNCTIONAL BEVERAGE POWDER BLEND

A specialised ingredient blend intended for use in cognition-focused functional beverage recipes. With Lion's Mane, Panax Ginseng, and Vitamin B1, COGNITEK-A delivers the ingredients commonly sought in products positioned for mental clarity, performance, and focus.

Functional Focus

A dry, powdered functional blend designed to support focus and cognitive performance. Lion's mane and panax ginseng are widely used in nootropic and adaptogenic formulations, while vitamin B1 contributes to normal psychological function and supports energy metabolism.

Product Use

COGNITEK-A is designed for versatility across a wide range of beverage applications. This blend has a largely neutral flavour profile, allowing it to integrate easily into functional drink formulations such as fruit juices and juice drinks, smoothies, flavoured carbonated beverages, sports drinks, flavoured waters, teas, coffees, and lowto-no alcohol beverages. The blend dissolves readily in water and confers a light, natural brown hue to beverages.

Dosage Information: Recommended use levels are provided below for guidance. Please note these are subject to regulatory requirements – refer to the Regulatory Guidance section for further details.

Recommended Dosages for COGNITEK-A					
Pack size	COGNITEK-A Dosage:	g per serving (approx.)	1.4 g dose provides (approx.)	DV	Bioactive compounds provided
330 ml	4.2 g / L	1.4 g	Lion’s mane extract - 980 mg	*	Polysaccharides, β-glucans,

500 ml	2.8 g / L				
Maximum recommended dose: 1.4 g per day					

*Daily Value (DV) not established

pH Tolerance: Recommended final product pH of 3.6-4.5 for optimum stability of bioactive compounds.

Pasteurization: The blend is compatible with typical beverage pasteurization processes.

Blending: COGNITEK-A should be added post-fermentation and pre-carbonation and/or pasteurization to maintain quality of bioactive compounds.

Please note that the usage information provided in this document is based on our current knowledge and is intended only as guidance for formulation and processing. Customers are responsible for the verifying suitability, safety, and stability of this product in their own specific finished product applications. Bevie Partners Limited accepts no liability for any loss or damage arising directly or indirectly from reliance on the information contained in this document.

Packaging

COGNITEK-A is supplied in 0.5, 1.125, or 3.0kg HDPE tubs. Containers meet all food industry packaging regulations.

Safety

This material is non-hazardous when used as directed. Please note that end consumers are advised to check with their GP or healthcare provider before taking food supplements if they are pregnant, breastfeeding, have any medical conditions or are taking any regularly prescribed medication

Storage

When stored in a cool, dry place away from direct sunlight and moisture, the shelf-life is 18 months from the manufacture date. Once opened, reseal tightly and use within 30 days.

Regulatory Guidance

This product is supplied for use in the formulation of finished beverage food supplements which must comply with relevant food supplement legislation. The information contained in this document is provided for guidance purposes only and does not constitute regulatory advice. Customers are solely responsible for ensuring the compliance of their finished products with all relevant legislation in their target markets, including but not limited to the following regulations:

United States:

- Dietary supplements: DSHEA 1994; 21 CFR Part 111
- Labelling: 21 CFR Part 101; 21 CFR Part 101.36

Customers should seek independent regulatory advice to confirm compliance with all applicable compositional requirements, permitted ingredient lists, maximum use levels, nutrition labelling obligations, and nutrition and health claim regulations in each market in which their finished product is intended to be sold. Bevie Partners Limited accepts no liability for the regulatory compliance of finished products manufactured using these ingredients.

Disclaimer

The information contained in this document is provided in good faith and is, to the best of our knowledge, accurate and current at the date of issue.
